Job
opportunities

Level
of expertise

At the end of this course, our Employment Pathways team will assist you into employment in roles such as **System Administrator** or **Network and Security Consultant**. You may also be eligible for **Level 7 Diploma in Cloud Management** here at Tectorium.

Recommended pre-requisites:

- Learners enrolling are recommended to hold the New Zealand Diploma of Information Technology Technical Support (Level 5) or equivalent knowledge, skills and experience.
- International students must have an appropriate level of English proficiency for the level at which they intend to study – IELTS Academic score of 6, with no band score lower than 5.5.

How to apply:

• To enrol:

1. Go to: www.tectorium.ac.nz
2. Complete the Online Application
3. Attend an interview.

While you are still in secondary school, ask about our introduction to Computer Engineering (ICE) short courses through Gateway or STAR.
